

First Year M.Sc. (Nursing) Examination

Nursing Speciality-I

Child Health Nursing

Date : 04-06-2021, Friday]

Time : 3 Hours]

[Max. Marks : 75

- Instructions :
- (1) Figure to the right indicate marks.
 - (2) Write legibly.
 - (3) Draw diagrams wherever necessary.

SECTION – I (38 Marks)

1 : Answer The Following

- (a) Classify the categories of high risk newborn. (4 Marks)
- (b) Explain the nurse's role in the health promotion of the adolescent. (4 Marks)
- (c) Down syndrome. (5 Marks)

2 : List the guidelines in performing physical examination in children. (10 Marks)

3 : Write Short notes (Any Three) (3*5 = 15)

1. Speech disorders in children.
2. Current Trends in Pediatric Nursing
3. Failure to thrive.
4. Behavioral problems in children.

SECTION – II (37 Marks)

4 : a. Physiological changes in newborn. (5 Marks)

b. Ethical issues in pediatric nursing. (6 Marks)

5 : Write Short notes (Any Three) (3*5 = 15)

1. Role of pediatric nurse in the hospital and in community.
2. Concept and objectives of IMNCI.
3. Cold Chain.
4. Current status of child health in India.

6 : a. Define preterm. (2 Marks)

b. List the causes of preterm. (3 Marks)

c. Discuss the nursing care of preterm baby. (6 Marks)

First Year M.Sc. (Nursing) Examination
Nursing Speciality-I : (c) Child Health Nursing

Date : 07-04-2017, Friday]
Time : 3 Hours]

[Max. Marks : 75

- Instructions :
- (1) Figure to the right indicate marks.
 - (2) Write legibly.
 - (3) Draw diagrams wherever necessary.
 - (4) Use separate answer book for each section.

SECTION -I

1. Describe the current trends in delivery of child care service in India 10
2. (a) Describe the Concepts & Theories of Growth & Development 7
(b) Explain the developmental milestone 6
3. Write short notes on any three 15
 - (a) Genetic counseling.
 - (b) Selection of Toys.
 - (c) Nutritional assessment of infant.
 - (d) Rights of children.

SECTION -II

4. (a) Describe common behavioral problems in Childhood 6
(b) Master Rahul is affected with known case of Attention Deficit Disorder, being a nurse what are the management you need to be given to him. 6
 5. Baby of Rani is admitted in NICU with the complaints of neonatal Jaundice ,
 - (a) List out the sign and symptoms of neonatal jaundice. 2
 - (b) Write down its medical management. 4
 - (c) Describe the role of pediatric nurse NICU. 4
 6. Write short notes on any three. 15
 - (a) Feeding problems
 - (b) Principles of IMNCI
 - (c) Nutritional program
 - (d) Cold chain
-

First Year M.Sc. (Nursing) Examination
Nursing Speciality-I : Child Health Nursing

Candidate's Seat No : _____

Date : 09-04-2018, Monday]
Time : 3 Hours]

[Max. Marks : 75

- Instructions : (1) Figure to the right indicate marks.
(2) Write legibly.
(3) Draw diagrams wherever necessary.
(4) Use separate answer book for each section.

SECTION - I

- | | |
|--|----|
| 1. Describe the National health programs related to child health in India. | 10 |
| 2. (a). Effects of Hospitalization on child and the family | 7 |
| (b). Nursing care of hospitalized child and family. | 6 |
| 3. Write short notes on any three | 15 |
| ✓ a) Factors affecting growth and development | |
| b) Prenatal factors influencing growth and development of fetus. | |
| ✓ c) Child Guidance clinic | |
| d) Special laws and ordinances relating to children. | |
| ✓ e) Role of Pediatric Nurse in prenatal care. | |

SECTION - II

- | | |
|--|----|
| 4. (a). Write detail about Universal immunization program and cold chain | 6 |
| (b). What are the roles of a Pediatric Nurse in Immunization program? | 6 |
| 5. (a). Define a Normal Newborn | 2 |
| (b). Enlist the characteristics of Normal Newborn | 4 |
| (c). Explain Essential Newborn care | 4 |
| 6. Write short Notes on any three | 15 |
| ✓ a) Baby friendly hospital Initiative | |
| b) Primary Neonatal Reflexes | |
| ✓ c) Levels of Neonatal care | |
| ✓ d) IMNCI | |
-

Candidate's Seat No : 10002

First Year M.Sc. (Nursing) Examination

Nursing Speciality-I

Child Health Nursing

Date : 07-10-2019, Monday]

[Max. Marks : 75

Time : 3 Hours]

- Instructions :
- (1) Figure to the right indicates marks.
 - (2) Write legibly and to the point.
 - (3) Draw diagrams wherever necessary.
 - (4) Write each section in separate answer books.

SECTION-I

(MARKS-38)

Q-1 Answer the following.

(12)

- a) Define national health Policy for children. **(3)**
- b) Explain Child labour act in detail **(4)**
- c) Discuss recent trends and issues of child health nursing in India **(5)**

Or

- a) Enlist components of IMNCI **(3)**
- b) Discuss principles of IMNCI **(4)**
- c) Explain the case management process of IMNCI in detail **(5)**

Q-2 Answer the following.

(2+4+5=11)

- a) Define NICU
- b) Enlist the equipment used in NICU
- c) Describe organization and management of nursing services in NICU

Q-3 Write short notes of following (Any three)

(3 x 5 = 15)

- | | |
|-------------------------------------|-----------|
| a) Child Abuse | b) BFHI |
| c) Universal immunization programme | d) UNICEF |

SECTION-II

(MARK-37)

Q-4 Answer the following.

(12)

- a. Define High Risk New-born **(2)**
- b. Explain care of normal new born at birth. **(5)**
- c. Discuss the nursing management of Preterm baby in detail **(5)**

Or

[P.T.O.]

1019ES44 (2)

- a. Define Hospitalisation. (2)
- b. Discuss the response of the children and parents towards hospitalisation. (5)
- c. Elaborate the role of nurse in care of a hospitalised child (5)

(2+3+5=10)

50001
Q-5 Answer the following.

- a. Define growth and development
- b. Enlist the prenatal factors affecting growth and development
- c. Discuss the mile stones of Infant (0-1 year)

(3 x 5 = 15)

Q-6 Write short notes of following (Any three)

- a. Nutritional assessment of Child
 - b. Genetic Counselling
 - c. Parent Child Relationship
 - d. Enuresis
-

F. Y. M. Sc. Nursing (Nov 2005).

Sub :- Nursing Research.

Date :- 15-9-06.

Second Term Test.

Time :- 9am to 12 md.

3 Hrs.

Marks 70.

Q No.

Q.1 Explain Implications of Nursing Research in the Fields of Nursing. Marks 6

Q.2 a) Explain meaning of main variables with examples. 6
 DV, IV, The Moderator Variable.

b) Define Hypothesis. 2

c) State two Hypotheses from the studies you have Reviewed. 4

Q.3 Explain functions and Importance of Review of Literature. 6

Q.4 a) List out characteristics of Scientific Research Approach. 2

b) List out various Research approaches used under Survey. 4

c) Explain Research Designs under True Experimental Research. 6

Q.5 a) Define following (Any Two) 4

I Target Population.

II Sample Population

III Accessible Population.

b) List out Classification of Sampling Techniques. 3

c) Explain Evaluation of Probability Sampling. 5

Q.6 a) Explain meaning of Research Tool. 2

b) List out types of Research Tools. 2

c) Prepare / Construct Research Tool to "Assess Learning Needs for Psychomotor Skills of Staff Nurse caring for (Any One) 8

- Patient with Trachiotomy.

- Patient with Labour pain in Labour ward.

- Neonatal baby with Low Birth Weight.

Q.7 a) What is Research Utilization. 2

b) What are the Barriers to Utilizing Nursing Research? 3

c) Explain Scope and Responsibility for Research Utilization.

- Strategies for Practicing Nurses and Nursing Students. 3

- Strategies for Researcher. 2

Q 4

List out various Research approaches (methods) with its meaning.

A

List out Research Designs of Experimental Research.

B

Explain any one Experimental research Design with example.

C

Q 5

List out Two tools specific of data collection for variables of Cognitive, Psychomotor and Attitude (for each) domains in Nursing.

A

What are the essential characteristics of Research Tool?

B

Q 6

Write short notes on following (Any Four)

A

Importance of Review of Literature.

B

Reasons for conducting survey type of Researches.

C

Components of Research tool.

D

Explain Tasks of Tool Development for Nursing Research.

E

Write difference between
1 Probable Sampling and Non Probable sampling.
2 Qualitative and Quantitative Researches / data.

F

Explain levels of Measurements with examples.

G

List out Characteristics of Good Research.

Wish You all the Best.....

Date : 09-04-2014, Wednesday
Time : 3 Hours]

[Max. Marks : 75

- Instructions : (1) Figure to the right indicate marks.
(2) Write legibly.
(3) Draw diagrams wherever necessary.
(4) Use separate answer book for each section.

SECTION - I

- Que.1. Define following terms with example (Any Five) 10
(1) Directional Hypothesis (2) Research Design (3) Extraneous Variable
(4) Target Population (5) Theory (6) Delimitation
- Que.2. Answer following (Any Two) 12
(a) Differentiates between Historical, Survey and experimental types of research.
(b) List the characteristic of good sample and discuss the methods of sampling.
(c) Discuss the types of Qualitative research
- Que.3. Develop conceptual frame work and Data collection tools for following quasi Experimental type of research study. (7+7) 14
"A study to assess the effectiveness of planned teaching programme of Intravenous infusion therapy among staff Nurses who are working in Districts general hospitals of Gujarat state."
- Que.4. Write short notes (Any Two) 14
(a) Review of literature
(b) Validity and Reliability of the Tool
(c) Critical analysis of research article

SECTION - II

- Que.5.(a) Find the average age (in yrs.) at the time of Death in city Ahmedabad. 05
from following data

Age interval	No of Deaths
1-10	16
10-20	09
20-30	20
30-40	11
40-50	07
50-60	12
60-70	09
70-80	04
80-90	02

- Que.5.(b) Discuss the Merits and Demerits of arithmetic Mean 05

- Que.6. Pulse rate of 12 individual are given below 05

58, 66, 70, 74, 80, 86, 90, 100, 79, 96, 88, & 97.

Calculate (i) Standard Deviation & Variance (ii) Mean Deviation

- Que. 7. (a) In a 9 patient following are the findings of Temperature and Pulse rate 05

Temp ; 98, 99, 100, 101, 102, 103, 104, 105, 100.

Pulse : 72, 80, 92, 111, 116, 128, 132, 130, 90.

Find correlation coefficient "r" between Temperature and pulse.

- Que.7. (b) write short note (Any One) 05

- (1) Tabulation and Graphical presentation of the Data
(2) Normal Distribution probability curve

**First Year M.Sc. (Nursing) Examination
Nursing Research & Statistics**

**Date : 08-04-2017, Saturday]
Time : 3 Hours]**

[Max. Marks : 75

- Instructions :** (1) Figure to the right indicate marks.
(2) Write legibly.
(3) Draw diagrams wherever necessary.
(4) Use separate answer book for each section.

Section-I (50 Marks)

- Q. 1. a) Define sample & sampling. 3+6+6=15
b) Discuss different types of sampling techniques.
c) Describe the factors influencing sampling process.
- Q. 2. a) Define Research & Nursing research. 3+6+6=15
b) Discuss in brief purposes and characteristics of research.
c) Describe the importance of nursing research in relation to quality patient care.
- Q. 3. Write explanatory notes on any four of the following. 4X5=20
a) Importance of Review of literature in nursing research.
b) Critiquing of research report.
c) Characteristics of measuring tools.
d) Ethical considerations in nursing research.
e) Hypothesis, formulation & types.

Section-II (25 Marks)

- Q. 4. a) What do you mean by confidence interval ? 2+5+6=13
b) Why median is used when there are extreme scores in a distribution.
c) Describe the data with appropriate central tendency & Variability:-
- | Marks | No. of students |
|-------|-----------------|
| 0-80 | 80 |
| 10-80 | 78 |
| 20-80 | 70 |
| 30-80 | 55 |
| 40-80 | 35 |
| 50-80 | 23 |
| 60-80 | 13 |
| 70-80 | 10 |

4X3=12

- Q. 5. Write explanatory notes on any three of the following
a) Descriptive and inferential statistics.
b) Mann Whitnev test-
c) Conceptual framework.
d) Standard Deviation.

First Year M.Sc. (Nursing) Examination
Nursing Research & Statistics

Date : 07-04-2018, Saturday]
Time : 3 Hours]

[Max. Marks : 75

- Instructions :** (1) Figure to the right indicate marks.
(2) Write legibly.
(3) Draw diagrams wherever necessary.
(4) Use separate answer book for each section.

Section-I (50 Marks)

- Q. 1. a) Define Research. 3+6+6=15
b) Enlist the features of good research.
c) Ex-post Facto Design. .
- Q. 2. a) Define Dependent variable. 3+6+6=15
b) What is the importance of Conceptual framework.
c) Write steps of literature review.
- Q. 3. Write explanatory notes on any four of the following. 4X5=20
✓ a) Snowball sampling.
✓ b) Types of Sampling technique.
✓ c) Rating Scale.
✓ d) Observation method
✓ e) Qualitative research method.

Section-II (25 Marks)

- Q. 4. a) Level of Measurement. 2+5+6=13
b) Criteria for selection of good research problem.
c) Patient staying in Hospital for Schizophrenia 50 and Neurotic 72
carryout the significant of difference between the mean level of
Schizophrenia and Neurotic.
- Q. 5. Write explanatory notes on any three of the following. 4X3=12
a) Pitman's permutation test.
✓ b) Ethical consideration.
✓ c) Likert Scale.
d) Use of Regression in research.
-

First Year M.Sc. (Nursing) Examination

Nursing Research & Statistics

Date : 08-04-2019, Monday]
Time : 3 Hours]

[Max. Marks : 75

- Instructions :** (1) Figure to the right indicates marks.
(2) Write legibly and to the point.
(3) Draw diagrams wherever necessary.
(4) Write each section in separate answer books.

Section: I (Marks 50)**Que.1**

4 + 6 = 10

- (a) What is Research? What is the Scope in Nursing?
(b) Discuss the concept of Evidence Based Practice.

OR

- (a) Why review of Literature is important in Research?
(b) Discuss the overview of Nursing Research Process.

4 + 6 = 10

Que.2

- (a) List different types of "Research Approaches"
(b) Discuss the steps in "Review of Literature".

Que.3 Differentiate between the following. Support your answer with examples. 5 X 2 = 10

- (1) Hypothesis and Assumption
(2) Experimental and Quasi Experimental Design.
(3) Quantitative and Qualitative Research.
(4) Probability and Non- Probability Sampling.
(5) Limitations and Delimitations in Research Project.

5 X 4 = 20

Que.4 Write Short Notes on any four:

- (1) Pilot Study
(2) Critiquing a research article
(3) Content Validity
(4) Ethics in Research
(5) Formulation or Research Tool
(6) Conceptual Framework

P. T. O.

Section: II Statistics (Marks 25)

10

Que.5

- (a) Define Probability and Explain Characteristics of a Normal curve.
 (b) Describe with the help of examples different methods of Sampling.

OR

Calculate if there is significant difference in mean blood pressure of 4 groups in order to assess the role of occupation in causation of blood pressure:

10

Officers	Clerks	Lab. Technicians	Attendants
125	120	115	118
130	122	115	120
135	110	120	118
120	115	130	120
115	125	120	120
120	122	125	115
130	120	122	120
135	120	115	115
135	126	126	125
140	120	118	125

Table F value for 3 degree of freedom across ($\rightarrow$) and 36 degree of freedom vertically at 5% level of Significance = 2.86.

Que.6 Write Short Notes (Any Three)

5 X 3 = 15

1. Steps involved in Testing of hypothesis.
2. Uses of vital statistics.
3. Explain how linear regression equations are useful in prediction.
4. Normal distribution.
5. Chi-Square test.

First Year M.Sc. (Nursing) Examination
Nursing Research & Statistics

Date : 05-10-2019, Saturday]

[Max. Marks : 75

Time : 3 Hours]

- Instructions : (1) Figure to the right indicates marks.
(2) Write legibly and to the point.
(3) Draw diagrams wherever necessary.
(4) Write each section in separate answer books.

SECTION -I (50 Marks)

- | | | | |
|-----|-----|--|----------|
| Q-1 | (a) | Write in detail for the Research Process | 10 Marks |
| | (b) | Describe the methods of data collection | 10 Marks |
| Q-2 | | Write short notes (Any four) | 20 Marks |
| | 1 | Validity | |
| | 2 | Pilot Study | |
| | 3 | Hypothesis | |
| | 4 | Survey Research | |
| | 5 | Conceptual frame work | |
| Q-3 | (a) | Steps of review of Literature | 05 Marks |
| | (b) | Purpose & Style of writing scientific Research | 05 Marks |

SECTION -II (25 Marks)

- | | | | |
|-----|---|--------------------------------|----------|
| Q-4 | | Describe Level of Measurement | 10 Marks |
| Q-5 | | Write short notes (Any Three) | 15 Marks |
| | 1 | Reliability | |
| | 2 | Normal probability Curve | |
| | 3 | Methods of Correlation | |
| | 4 | Chi-Square Test | |
-

SKUM College of Nursing
First Year M.Sc (Nursing) Examination
Nursing Education

Date: 24/10/2016, Monday]

Time : 10 am To 1 pm

[Max. Marks : 75]

- Instructions : (1) Figure to the right indicates full marks.
(2) Write legibly
(3) Draw diagram wherever necessary
(4) Each section use the separate answer book

SECTION -1

- Q1. Define following (Any Five) [1X5=5]
(a) Learning Experience (b) Symposium
(c) Education (d) A.V. Aids
(e) Syllabus (f) Objective
- Q-2 (a) What is teaching? [2+10=12]
(b) Discuss Maxims of Teaching with example
- Q-3 (a) What is Accreditation? [3+8=11]
(b) Explain the role of Indian Nursing Council to Maintain Standards of Nursing Education.
- Q4. Write Short Notes (Any Two) [2x5=10]
(a) Question Bank
(b) Micro Teaching
(c) Equivalency of Courses : Transcript

SECTION -II

- Q5. Write Short Notes (Any Three) [3 x4=12]
(a) Characteristics and competencies of teachers
(b) Essay test
(c) Distance Education in Nursing
(d) Adult learning
- Q-6. Write Difference between two [2X4=8]
(a) Summative evaluation and formative evaluation
(b) Formal Education and Informal Education
- Q-7 (a) What is Continuing education? [2+4+4=10]
(b) Illustrate all the steps of process of Continuing education
(c) Prepare Orientation program Schedule for newly appointed Nursing Tutor in College of nursing
- Q-8 (a) What is philosophy? [2+5=7]
(b) Explain the trends in development of nursing education in India

First Year M.Sc. (Nursing) Examination
Nursing Education

Date : 01-04-2017, Saturday]

[Max. Marks : 75

Time : 3 Hours]

- Instructions :
- (1) Figure to the right indicate marks.
 - (2) Write legibly.
 - (3) Draw diagrams wherever necessary.
 - (4) Use separate answer book for each section.

Section I

Q.1 (a) Define Philosophy.

(b) Enlist the traditional philosophies of Education and discuss the principles of Pragmatism.

(2+8=10)

Q.2 (a) What do you mean by Learning?

(b) Discuss the characteristics & principle of learning.

(2+8=10)

Q.3 Write short notes on any **Three** of the following

(3x6=18)

a) Outcome based learning

b) Projected A. V. Aids

c) Internal Assessment

d) Rating Scale

e) women education

Section II

Q.4 (a) Define curriculum.

(b) Discuss the aims, objectives and functions of curriculum.

(2+8=10)

Q.5 What do you mean by Counseling? What are the steps of Counseling?

Differentiate between Guidance & counseling.

(2+4+6=12)

Q. 6 Write short notes on any **Three** of the following

(3x5=15)

a) Role of Indian Nursing Council

b) Distance education and its importance in nursing

c) Types of Teacher's Training program

d) Credit system

e) Facilities for specially-abled students in college/school

(3) Draw diagram wherever necessary.
(4) Each section use the separate answer book

SECTION I (38 Marks)

1. a. Define profession.

b. What are the criteria for a profession?

c. Explain the strategies to improve professionalism in nursing. $2+4+5=11$

2. a. Describe the pathophysiology of fluid and electrolyte imbalance.

b. Discuss the role of nurse in maintaining fluid balance. $6+6=12$

OR

3. a. Define disinfection and sterilization.

b. List principles of disinfection.

c. Explain standard safety measures to be followed while caring patient. $3+4+5=12$

3. Write short notes on any three. $3 \times 5 = 15$

a. Telemedicine.

b. Prenatal counseling.

c. Health surveillance.

d. Nursing audit

SECTION II (37 Marks)

4. "Nursing process improves the quality of client care." Justify. 11

5. Explain the concept of prevention based on Neuman's theory with appropriate examples.

OR

6. a. Explain phases and process of grief and grieving.

b. Role of nurse during crisis intervention. $5+6=11$

6. Write short notes on any three, $3 \times 5 = 15$

a. Transcultural Nursing.

b. Importance of computers in nursing practice.

c. Alternative systems of medicine.

d. Defense mechanism.

(2) Use separate answer book for separate section.
(3) Draw diagram wherever necessary

SECTION I : (38 Marks)

- 1 (a) What is health care environment? 3
 - (b) Discuss constrains of health care system at present. 5
- OR
- 1 (a) Justify nursing as a profession. 3
 - (b) Discuss perspective of nursing profession at national and global level. 5
- 2 Describe Oram's theory of nursing.
Explain its implication in routine nursing practice. 10+5
- 3 (a) Write short notes on (any two): 10
 - (i) Independent nurse practitioner
 - (ii) Standard of Safety measures
 - (iii) Defence mechanism
 - (b) Describe legal and genetic issues in genetic testing. 5

SECTION II : (37 Marks)

- 1 Prepare nursing process for any two nursing diagnosis for patient with diagnosis of unconsciousness and pain. 10
- 2 Write short notes on (any three): 15
 - (a) Use of computers in hospital informative system
 - (b) Steps of C.P.R.
 - (c) Methods of screening in a epidemic.
 - (d) Patterns of nursing care delivery in India. 6
- 3 (a) List the needs of adolescent. 6
 - (b) Discuss major health issues of an adolescents. 6
